

Curly Sport Horse International

In order to participate in CSI sponsored USDF All Breed Awards, the owner of record **must** be a CSI member

The horse **must** be registered with CSI and shown using the horse's CSI registered name.

The rider is not required to be a member of CSI.

USDF requires you "declare" for competing for this award. Please check the USDF website for the forms and deadline date.

USDF All Breeds awards are offered for Training Level through Grand Prix...in Adult Amateur and Open.

There is a \$50.00 nomination fee payable to CSI after the USDF has announced the winners. CSI allows competition in 3 divisions, Open, Adult Amateur and Jr Rider. and places Champion and Reserve Champion. You may compete in up to 2 divisions. The \$50.00 is the fee, no matter how many divisions you chose. Competing in multiple levels would require multiple fees.

There will be only one CSI gift award per entry, no matter how many divisions you enter. If your fee has not been paid by Nov. 1st, you will not receive a CSI award, and may forfeit future placing made by the USDF.

Competition dates and deadlines are set by the USDF, please refer to their website USDF.org for current rules and dates.
